

Pocket cigar cutter in Stingray New Product

FALLON

Falloncuir has the pleasure to introduce its latest creation for a pocket cigar cutter made in Stingray (3 colors).

Pocket cigar cutter in
Stingray Ivory

Pocket cigar cutter in
Stingray Light Brown

Pocket cigar cutter in
Stingray Black

The Stingray leather is a precious and rare; composed of hundreds of ivory pearls. This leather comes from stingray of the Indian Ocean. **The company FALLONCUIR is one of the few factories to work Stingray curve and rounded with no visible connection.**

Collection Stingray Black
EOLE - Pocket cigar cutter - NIXES

Our pocket humidors are telescopic and can hold different cigar sizes, from the "Robusto" to the "Montecristo-A." Our pocket humidors are made from alligator, crocodile, ostrich, ostrich leg, stingray, buffalo, python, Frog, and Orylag.

Born of a marriage of high technical skill and perfect fitting, our pocket humidors do not require any humidifier. "FALLONCUIR®" pocket humidors are the lightest, finest, and most technical on the world market. Our pocket humidors will protect your cigars for 5 to 7 days, even exposed to the harshest conditions, such as the desert, jungle, or snow.
